(d) if so, the details thereof; and

(e) if not, the reasons therefor?

THE MINISTER OF TRIBAL AFFAIRS (SHRI JUAL ORAM): (a) to (e) As on date there is no National Policy for rehabilitation of displaced persons, including tribals, in the country. However, a National Policy for rehabilitation of displaced persons, including tribals, is presently under consideration of the Ministry of Rural Development. The tribals displaced for construction of large dams and reservoirs are rehabilitated as per the respective rehabilitation plans of the project authorities. These plans are required to be consistent with the prevalent laws of the concerned States where such displacements take place. As the subject matter pertains to 'land', which is a State subject, the relevant information is not available with the Ministry.

Low Literacy Among Tribal Women in Himachal Pradesh

1920. SHRI ANIL SHARMA: Will the Minister of TRIBAL AFFAIRS be pleased to state:

(a) the names of such districts in Himachal Pradesh where literacy among Scheduled Tribe women is very low;

(b) whether Government are providing full assistance for setting up of educational complexes in those districts of the State; and

(c) the amount released, so far, during 2001-2002 and 2002-2003 to Himachal Pradesh under the above scheme to promote tribal female literacy?

THE MINISTER OF TRIBAL AFFAIRS (SHRI JUAL ORAM): (a) The Ministry has identified 134 districts in the country with a literacy rate of less than 10% (as per the 1991 census) amongst scheduled tribe women. There is no district of Himachal Pradesh in this list.

(b) and (c) The Educational Complex Scheme provides for 100% financial assistance for the setting up and running of Educational Complexes in the identified low literacy districts, with reference to Tribal women. As there is no identified district in Himachal Pradesh, financial assistance cannot be extended.
